

PROPERTY DESCRIPTION

This 4 bedrooms 2 baths single family home is currently occupied by the owner — but can be readily arranged for a quick move in condition. The property is located on a 7200 sq. ft. lot. Conveniently located near the GSP and major highways; elementary, middle & high schools are within 4 miles.

Room sizes (in feet): Master (12x16); each two bedrooms (12x13.5); family rm (13.5x14); living rm (14x21.5); kitchen (10x12); and garage (12x18). Energy efficient (new roof and with insulation plywood when new vinyl sidings installed - 2017). Double-paned windows (2017). Tiled and wood flooring (2016). Recently renovated Laundry room with new water heater (2022). Completely renovated both bathrooms (2015). Long-lasting durable plastic-composite fence (2018). Replaced Water Heater (2013). Cemented driveway. Backyard with raised gardens. Note that the Patio turf cover can be easily removed.
